

Good evening! I wanted to take a couple of minutes to bring you up to speed on our Capital Campaign. If you remember, last year I told you that we were about to start on a capital campaign to raise a lot of money to build a new statewide headquarters for Special Olympics Texas.

Well, guess what.

- The construction project has started and you can follow it live on our website at www.sotx.org.

- The architects are Jackson Galloway Architects in Austin.
- The construction company is White Construction in Austin.
- The total cost of the project is \$7.1 million.
- To date, we have raised 67% of the construction budget.
- Move-in date is June 2015

- We are in the process of securing lead gifts (\$100,000 and up) and a full list of naming opportunities is available online at www.sotx.org/capitalcampaign.
- The public phase of the Campaign will kick off in November 2014, and we will want you to be part of it. We will have more information in November about how you and your teams can be involved.

- For more information about the campaign and to join the fundraising effort at any level, visit our website at www.sotx.org/capitalcampaign.
- All gifts are welcome and will be publicly recognized.
- If you'd like to talk with me or Janet Smith after the meeting about how you can be involved, please come talk with us!

- Thank you for being a part of Special Olympics
Texas.
